Always have hope you  
will reach the top!

Hope is being able to  
see that there is light  
at the end of the  
tunnel despite all of  
the darkness. You  
cannot change anyone  
but yourself, live your  
life but always hope for  
the best in life.

is one of the main guiding forces in human life, as without hope, easy becomes difficult and possible turns into impossible. But it is also very like of human nature to lose hope in challenging situations. Families and loved ones can give up easily and suffer from hopelessness if they do not receive proper support and care.
