Family There are three main ways that a family becomes an adoptive family: domestic, International, and foster adoption. With domestic adoption, a family will typically adopt a baby. It includes adoptions that are done within the United States and usually privately through an agency or adoption professional.

Adoption — All Families Healthcare

The Barnhill's were eager to share their story, hoping that it will inspire many other families to pursue adoption. Sa'Mayah entered the foster care system in Kansas in September 2017 and experienced five different placements before being placed into the home of Abigail and Mathew Barnhill a year later.
