One of the main complaints on Panda washers is the lint filter. Many owners report it does not work well and a new solution is needed. Many owners buy the floating washing machine lint filter bag or lint remover balls in packs of 12.. If lint is a problem with your Panda washer, try using vinegar in the wash and rinse cycles as it cuts down on lint.

Panda Washing Machines and Dryers - Parts, User Guide ...

Susan, The Bosch dishwasher E27 code is not listed in the database. The manual says to call a tech. Call Bosch and they can help you. We think this is a door lock issue but not 100% sure.... Bosch will know more. Please let us know what they tell you.-RR

Bosch Dishwasher Error Codes - How To Clear - What To Check

The internal cavity of your oven is the area most likely to get grimy and greasy through continued use. Switch off your oven at the mains and lay out newspaper on the floor to catch any dirt. Use a dry brush to get rid of caked on food and sweep them onto the newspaper. Spray the interior of the oven with your chosen cleaning product.
