Constitutional Administrative Law 8 E

Constitutional Law and Administrative Law. Administrative law is categorized as public law since it governs the relationship between the government and the individual. The same can be said of constitutional law. Hence, it is undeniable that these two areas of law, subject to their differences, also share some common features.

Constitutional Law and Administrative Law

The constitution in Articles 8 (3), 12 (1) and 12 (2), respectively provides the principles of public participation, transparency and accountability in government administration. As explained above, the presence of a developed system of administrative law is sine qua non for the practical realization of these principles.
