Therapy is a wonderful therapy for those who are prone to react in a much more intense and out-of-the-ordinary way toward certain emotional situations. Although DBT was originally created for Borderline Personality Disorder, it can be used for many other mental health issues far beyond its original purpose.

DBT Therapy and the Balance of Things. Dialectical Behavior Therapy (or DBT Therapy) focuses on finding the balance in things – simply put, we work towards ending our cycle of working in extremes. This includes our ability of being too task oriented! As residents of New York City we are no strangers to throwing
