High Society The Life Of

After watching "Rear Window," "Mogambo," and "High Society" from my local library, I wanted to know more about Kelly, who I thought was the best of the actors in the films. After searching which book was the best about her life, this one topped the lists each time. I was excited when i saw the book at a library, so I had to read it.

High Society: The Life of Grace Kelly by Donald Spoto

High society, also called in some contexts simply "society", is the behavior and lifestyle of people with the highest levels of wealth and social status.It includes their related affiliations, social events and practices. Upscale social clubs were open to men based on assessments of their ranking and role within high society. In American high society, the Social Register was traditionally a ...
