Blindness, by Jose Saramago
Helplessness is a key factor in a lot of horror; most people labor under the delusion that they are in charge of their destiny and their lives, and horror is often effective simply by reminding us how little control we actually have. An epidemic of blindness leaves an entire city’s population secluded in a mental ...

“Words can be twisted into any shape. Promises can be made to lull the heart and seduce the soul. In the final analysis, words mean nothing. They are labels we give things in an effort to wrap our puny little brains around their underlying natures, when ninety-nine percent of the time the totality of the reality is an entirely different beast.
