With a collection of more than 45,000 free e-books, Project Gutenberg is a volunteer effort to create and share e-books online. No registration or fee is required, and books are available in ePub, Kindle, HTML, and simple text formats.

Lawson User Guide

The Lawson Interface Desktop. (often referred to as LID or the Desktop Client) is a desktop client user interface that provides system administrator access to the Lawson Environment. Within the Lawson Environment, you define product lines (including data areas and data IDs) and you indicate the data storage for these.

Lawson: Administering Users Training Workbook

Lawson's documentation is available on their support site, and includes user manuals for all of their applications. Most organizations also develop process-specific documentation unique to their organizations as part of their implementation, using "conference room pilot" (CRP) scripts as the starting point. In other words, the Lawson documents explain in most cases how to perform a specific task, but don't necessarily provide the contextual "why" and "when" for all of the processes.
