LIFE The Beatles: Then. Now. Forever .
The Beatles never really left us, and have never ceased to be. Meet the Beatles! was the second Beatles album released in the United States, but it's also what every generation has managed to do during the last half century: discover anew the music and the mythology of the Beatles. In 2018,

LIFE was an iconic American weekly magazine published from 1883 to 1972 and again from 1978 to 2000. It became very popular for the quality of its pictures. At the very beginning the magazine was developed as similar to the British magazine Punch with focus on general interest topics, light entertainment, jokes and social

1951, 18 - Old Life Magazines

Life magazine decided to publish a photo story for their January 15, 1951 edition, which would document the results of the competition and feature a photograph of the protesters. Life initially wanted to photograph the painters on the steps of the Metropolitan, with their paintings. They refused on the grounds that it
