Magnificent Failure (2009) - IMDb
Magnificent Failure: Free Fall from the Edge of Space. Locked in a desperate Cold War race against the Soviets to find out if humans could survive in space and live through a free fall from space vehicles, the Pentagon gave civilian adventurer Nick Piantanida's Project Strato-Jump little notice until May Day, 1966.

Magnificent Failure: Free Fall from the Edge of Space by ...
There is a certain kind of magnificent failure that takes hold of our imagination and sympathy even more effectively than unqualified success. The most thrilling episodes in history are stories like that of Columbus — of men who essayed vast endeavours, and, after all, proved to have done something vastly more important and other than they expected.

The Siege of Vienna in 1529 was a complete failure. The Ottomans outnumbered the defenders of the city by at least 5:1 but sustained heavy casualties and ran out of supplies. His inability to create a reliable supply line is unquestionably a black mark against his leadership. This failure significantly slowed down Ottoman conquest in central Europe.
