Here is an updated version of the \$domain website which many of our East European book trade customers have been using for some time now, more or less regularly. We have just introduced certain upgrades and changes which should be interesting for you. Please remember that our website does not replace publisher websites, there would be no point in duplicating the information. Our idea is to present you with tools that might be useful in your work with individual, institutional and corporate customers. Many of the features have been introduced at specific requests from some of you. Others are still at preparatory stage and will be implemented soon.

Paco De Lucia Libro 1

Ramén de Algeciras, great guitarist too, and Paco's brother, encouraged me and recommen- ded to do it in chronological order, and so, this first book was born, (first from a serie of books containing the best music pages of this unique artist). In the history of flamenco music, Paco de Lucia means a point of no return.

Paco de Lucia, Master of Masters. His music will always be alive and will continue being the reference for this genre. He left us a heritage, as usual among the best, with humility and mastery. The creation of the genius from Algeciras, collected in his extensive discography, is more than a proof to categorically claim that he was one of the most important personalities in the world of music in the 20th and 21st centuries.
