Play piercing, needle play, or recreational acupuncture is body piercing done for the purpose of enjoying the experience rather than producing a permanent body decoration. Needles, sharpened bones, or other tools used in play piercing are removed from the body when the episode is complete, allowing the wounds to heal. Those who engage in play piercing may do so for self-expression, imitating ...

Tickling games are interpersonal or social activities involving the tickling of one person by another. Some people find tickling to not only be a pleasurable experience, but also an erotic one. They may be sexually excited by being tickled or by tickling another person, some people like being tickled on their genitals, their waist, their feet, their underarms, their anus or their breasts while ...

Tickling game - Wikipedia

The book has several appendices too which contain safety information, a "dairy" of a role play scene and plans, suggested music, a resource guide, even a sample negotiation form. Highly enjoyable, this book has changed my mind about doing role play scenarios. I might just yet become a swashbuckling captain or naughty professor in my private play.
