Saionara Atomizer

The Saionara wax atomizer houses the heaters, or saionara coils, with a mouthpiece on top and a threaded end on the bottom. If you want something simple, grab the EZ Sai Kit that comes with a matching battery and coils, or step up to a more complete power solution, and pair the Sai atomizer with one of our box mods and your favorite coils.

Saionara Vaporizer | Sai Atomizer, Coils, Mods & Parts ...

The Saionara atomizer is built to last. The housing is made of stainless steel or titanium, with no glues or solder. The wire coils are strong and durable -- when most other coils are breaking, Sai coils keep going. If the coils start to taste foul, you can clean them to fresh-as-new instead of throwing them out!
