About the Collection — Silver Lining Collection

By celebrating craft yet embracing the experimental, Silverlining is pioneering the idea of furniture as functional art. Pushing the Boundaries.

Silverlining - Explore Collector

The art of every era is informed by the knowledge, technology and skills of that time, and influenced by its social and economic history. That's why we believe today's furniture should represent inconspicuous luxury; a post-recession mindset where purity of function and genuine pleasure prevail.

Silverlining - Pushing the Boundaries

They are where we build our museum-quality furniture, and where we continue to build our reputation for the unending pursuit of excellence. Silverlining's craftsmen have all learned the skills of their trade under talented masters, and yet in our workshops they continue to study new ways of making things to help define the future of craftsmanship.

Silverlining's innovative furniture can be found in luxury palaces, ultra-high-end residences and megayachts around the world. The Boddington brewing business started in 1778. I decided not to join the family business because I just wasn't interested at the time. The first piece of furniture I made was a bookcase made with my mother aged 5.
