Presentation r A key goal of the Fourth Edition revision was to offer a clearer presentation of calculus. With this goal in mind, the authors were able to reduce the amount of material by nearly 150 pages. r The level of rigor has been carefully balanced to ensure that concepts are presented in a rigorously correct manner without allowing technical details to overwhelm beginning calculus students.

Calculus, 4th Edition - SILO.PUB

The title basically says it all but basically the 3rd edition of the book is missing a lot of solutions i would like to know to check my results and do you know where i could find them. I tried the solutions manual but that misses a lot as well.
