Creating Concept Maps Before introducing The Danger of a Single Story, it is important for students to first consider the word stereotype—a word they have likely heard often, but may not have explored in-depth. To do so, students will each create a concept map that will help them define stereotype, as well as establish the relationship between stereotypes, prejudice, and discrimination.

### **Lesson: Transcending Single Stories | Facing History**

Give out the debate language handout. Tell students that they are going to recreate the dogs vs. cats debate but using the language on the handout and some of the structural techniques we saw earlier. Give them 8-10 minutes to structure their arguments. The debate will follow the following structure: Debate Structure. Opening statement (90 secs)
