Walking in the Sacred Manner - The Wandering Bull, LLC

An Inner-World Exploration Picture yourself walking along the edge of a body of water. If you move your feet slowly, the water will have some ripples, but the life that is teeming below will not be disturbed. If you jump into the water and splash around, waves will go out and the inhabitants of the water will be affected.

Amazon.com: Customer reviews: Walking in the Sacred Manner ...

When we walk in a sacred manner, nothing throws us off balance for nothing is identified with as self, as the walker, but instead all is experienced as the sacred, as process unfolding, as the divine moment provided for our healing. In open body, in open mind, in open heart, the possibilities are endless. Healing is to be found everywhere.

Walking in a sacred manner - Whispy.com Blog

Walking in the Sacred Manner is a must read for anyone wanting to learn more about Native American spirituality. It not only gives wonderful accounts of several "medicine women" and how they were called to serve, but gives the "Lakota creation story", and the story of the "White Buffalo Calf Madien" who brought ceremony and rituals to the people that are still practiced today.

Walking in the Sacred Manner: Healers,... book by Mark St ...

It was a way of life which worked to the advantage of all. To be known as a "good relative" was the quintessence of Saone culture. Kinship was symbolized in the headband all wore which carried the tipi design. Tipi means the "place where one lives", hence home, the most prized of Saone possessions."
