Central Park West. Written by Woody Allen Directed by David Luke . Originally part of the trilogy Death Defying Acts, this one-act comedy tracks a well-to-do psychiatrist who has just discovered that her best friend is having an affair with her husband. Don't miss the playwright's trademark subjects and quirks, including New York socialites, neurotic rambling, and the unforgiving cosmos coupled with the terror of existence; it's Woody Allen at his best!

Central Park West - Arts People

Woody Allen 's Central Park West isn't so much about people and the things that happen to them as it's about the idea of how funny and awful they can be. Those familiar with Allen will find all his trademark obsessions here: New York socialites, neurotic rambling, and—my favourites—the unforgiving cosmos and the terror of existence.
